Dear Joseph Anthony:

The Scranton Cultural Center at the Masonic Temple would like to thank you for your time and talents at Up and Coming Comedy on Saturday, October 15, 2011. It was a pleasure to work with you throughout the process and the addition of your talents to Up and Coming Comedy certainly took it to the next level.

Programming such as this is essential to the survival of the Scranton Cultural Center at the Masonic Temple as a regional center for the arts, education and community activities appealing to all. And it is people like you that make it possible for us to create and go forward with that programming.

Thank you for your incredible generosity and knowledge. It certainly does not go unnoticed.

Sincerely,
